

Your tour of Plant Crist

Thank you for your interest in touring Gulf Power's Plant Crist — proudly serving Northwest Florida with reliable, environmentally responsible electricity. We operate an advanced scrubber system and a reclaimed water facility that has recycled billions of gallons of advance-treated wastewater. Tours are conducted up to twice a month (on the 1st and 3rd Tuesday) for up to 48 visitors per tour group between 8:30 and 11:30 a.m.

To request a Plant Crist tour, please complete an official tour request (on the following pages) and return it electronically to the contact below for reservations. If the number of participants changes, please let us know prior to arrival the morning of the tour.

Available Group Tours

Note: Because this is a functioning power plant, tours may be canceled at any time.

Visiting Group	Perimeter	Plant
Public and/or private high schools	X	
Educational partners – high school or college	X	X
Colleges – non-technical or non-engineer	X	
Colleges – technical or engineering (>18 years old)	X	X
Southern Company employees & families	X	
Southern Company employees participating in development programs	X	X
General public	X

News media – local, regional and national - with Corporate Communications escort	X	X
Company, industry, regulatory representatives	X	X
Federal and executive-level leaders	X	X

Perimeter Tour — Tour typically includes a 45- to 60-minute comprehensive overview of plant operations, and includes walking by the scrubber, turbine room floor, and switchyard boundaries.

Plant Crist Tour — This tour typically includes the Perimeter Tour, plus a walk across the turbine-generator floor with stops in the control room (as permitted by Operations) and an elevator ride to the roof deck.

Dress Safely — Proper clothing and shoes are required on the tours. **Perimeter Tour:** Tennis shoes and comfortable clothes for walking. **Complete plant tour:** long pants and tennis shoes (no open-toed shoes).

Map/Directions

[Click here for a map to Plant Crist](#). The physical address of Plant Crist is 11999 Pate Street, Pensacola, FL 32514.

Other Options

Gulf Power offers “I Love Science” to teach elementary school students about energy efficiency and to fifth graders across Escambia and Santa Rosa counties based on volunteer availability. A bicycle generator can be brought to various energy-related events.

*If your tour group qualifies for a plant tour, waivers for each visitor will also need to be signed and returned electronically to the EDC at least 24 hours prior to the tour before a final confirmation will be issued via email.

(For use by an individual.)

Generating Plant Visitors & Tours

Release and Waiver of Liability

(Must be submitted at least 24 hours prior to tour.)

Every plant tour participant, and their parent or guardian, if the participant is under 18, must read this waiver form. Signatures below signify that each person has read, understands and agrees to abide by this information.

I desire to participate in a tour of facilities owned and operated by Gulf Power Company. I have been advised and understand that the tour involves risk of personal injury, death, and damage to my property. I hereby personally assume all risk in connection with the tour for any harm, injury, or damage that I may incur as a result of my participation in the tour, whether foreseen or unforeseen, and I wish to participate in the tour despite these risks.

I understand that tour attendees will be informed of all safety guidelines of the tour and will be provided with any required personal protective equipment. Closed-toe shoes are required to be worn at all times during the tour. Tour attendees are expected to adhere to all safety guidelines and instruction, as well as properly wearing the applicable personal protective equipment.

If an emergency of any kind should occur while you are visiting our plant, be aware that you will be notified via our public address system. You will be directed to the appropriate evacuation location. Follow further directions at that point.

By signing this form, I understand that failure to follow safety guidelines and regulations, ranging from wearing protective equipment to touching machinery or following all stated rules, may result in the removal of one or more of the tour attendees from the tour, or the entire tour may be terminated at the discretion of the tour guide.

The undersigned individual, on behalf of himself and his representatives, agents, heirs, executors, administrators and assigns (hereinafter collectively "the Undersigned") agrees to the following terms and conditions and hereby **FOREVER RELEASES, REMISES, DISCHARGES** and agrees to hold harmless and indemnify **GULF POWER COMPANY**, its subsidiaries, parent, affiliated entities, shareholders, officers, directors, agents, representatives, and employees (hereinafter collectively "GPCo"), from **ANY AND ALL LIABILITY, CLAIMS, DEMANDS, CAUSES OF ACTION AND POSSIBLE CAUSES OF ACTION ("Claims")** whatsoever, including negligent, wanton, and intentional acts, and those for personal, property and contractual damage, which in any way arise out of or relate to loss, damage, personal injury (including death), that arise out of or relate in any way to injury or damage sustained by the Undersigned or any other person or entity, arising out of, but not limited to, the tour on GPCo property, whether or not a Claim arise(s) from any negligence of GPCo.

In signing this Acknowledgment, Waiver and Release, the Undersigned represents that this document constitutes the full and complete agreement between the Undersigned and GPCo and that any modification thereof must be made in writing and signed by both parties. The Undersigned further represents that he is of sound mind, has carefully read the document, including the portions regarding the release of liability, understands it, agrees to all of the terms and conditions above, and signs this document voluntarily.

The undersigned further agree that the foregoing release, waiver and indemnity agreement is intended to be as broad and inclusive as is permitted by the laws of the State of Florida, and that if any portion of it is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect.

THIS IS A RELEASE OF LIABILITY WHICH I HAVE SEEN, READ, AND I UNDERSTAND.
